

## CENTER FOR SUSTAINABLE LIVING NOVEMBER NEWS

ANNUAL GATHERING SUCCESS - Following our usual special pizza cooked over the beehive stone oven (thanks to Duffy and Marty for the fire), we gathered on the side lawn of the Rochester Folk Art Guild's East Hill Farm for our Annual Meeting. Kim Babcock, Chr. presided as we looked over our year and gathered ideas for the 2008 workshops. We have been totally supported by member donations (keep them coming to Bob Bradley, 7430 Boughton Hill Rd., Victor, 14564). Bob, Treasurer, reported a balance of \$1974.68, Bill Bross, Chr. Elect moved to Chr. for the coming year. Cheryl Bower was elected Secretary for a 2 year term. Bob Bradley will continue in the second year as Treasurer. Steve Melcher was elected member of the Board as liaison to Education, Forest Melcher as Youth Representative, and Allie Urbanek as a representative of the RFAG working in agriculture..

Kim drafted 3 forms to help the process of our workshop booklet: a presenter form to be sent to former presentors and potential ones, a form for advertizers and a suggested timeline to make the process run smoother. We spent some time evaluating and brainstorming workshops. We invite others to contact Bill Bross, [wilperry@rochester.rr.com](mailto:wilperry@rochester.rr.com) , with suggested workshops. The next meeting is scheduled at the Melcher's home, SATURDAY, JANUARY 19, 2008. ALL ARE WELCOME.

We congratulate one of our founding members, Hugh Mitchell, for receiving the Howard Cummings Environmental award from the Center for Environmental information, Oct. 30. Hugh is one of the more successful environmental advocates in our area.
